PERSONAL HYGIENE KITS

Formerly called “Health Kits”, Personal Hygiene Kits are a help to impoverished people throughout Haiti, supplying them items we take for granted that they otherwise could not afford. The Haiti Partnership delivers hundreds of kits each year.

If you or your group would like to help, here’s how:

Kits should include: [contents of each kit are valued at about \$12]

- 1 hand towel – 15 inches by 25 inches (or up to 17 inches by 27 inches)
- 1 wash cloth
- 1 wide-toothed comb
- 1 fingernail clipper OR nail file (no emery boards or toenail clippers)
- 1 bath-size bar (3 oz or larger) of soap
- 1 toothbrush (single brushes only in original wrapper)
- 6 adhesive plastic strip sterile bandages

All items included in kits must be NEW items.

Do NOT include any personal notes, money or additional materials in the kits – especially political, religious or patriotic and avoid any emblems.

Do NOT include toothpaste, as per previous instructions – UMCOR is now purchasing toothpaste in bulk.

Place all items in a one gallon plastic bag.

Completed kits can be delivered to the Conference Center labeled “For Haiti Partnership” or you can contact any of the following Haiti Partnership Members for drop off locations (see list of locations on back):
